Mr. William J. Casey  
Director, Central Intelligence Agency  
Washington, D.C.

Dear Mr. Casey,

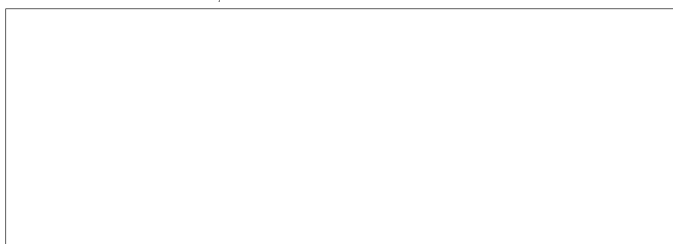

I read with interest your article of April 22 in the Wall Street Journal on checking the Soviet Thrust in the Third World. I surely agree with it.

I would also add that the educating of untold thousands of students from Third World countries in the Soviet Union and other East European countries is now bringing in returns. This program is now over a generation old.

I would also note that the repetition of the ideology has made impressions. As Lewis Carroll once said, repeat something three times and it is believed as true.

With all good wishes,

Sincerely,
